

The Shower Drain Relocator™

The Ultimate Solution for Shower Drain Relocation

- Tile Setters
- Plumbers
- Contractors
- Builders
- DIY-ers

• **Installs in Minutes:**

Anyone can install the CODA attachment, saving time and money.

• **Strong and Durable:**

Made from highly durable black ABS material, CODA is built to last.

• **CODA is Cost-Effective:**

Eliminates demolition, lowers costs, and keeps your job on schedule.

Eliminates demolition and job delays because CODA screws right into your existing drain.

CODA allows you to extend your shower drain up to 32 inches in any direction.

Whether residential or commercial, remodeling or new construction, CODA is the right solution for you.
